

On-site Exhibition Sponsorship

The 7th International Conference on Manipulation, Automation and Robotics at Small Scales (MARSS 2024) is held from July 1 to July 5, 2024, in Delft, the Netherlands: <https://marss-conference.org>. This annual conference is managed by a high-level Steering Committee and technically supported by IEEE-RAS and IEEE-NTC. MARSS is the flagship forum for cross-disciplinary R&D communities to discuss current activities in all areas related to manipulation and automation (including measurement and characterization) at micro- & nanoscales, and in all kinds of small-scale robots and their applications. The Organization Committee of MARSS 2024 expects round 300 participants. MARSS 2024 is hosted by Delft University of Technology, the conference is held in Conference Center of the university campus.

You are kindly invited to join the on-site exhibition to showcase your products and services, combining company promotion and sponsorship opportunity. MARSS 2024 will offer each participating company a booth space of 4-8 square meters, with tables and poster boards, at a cost starting from 1500 EUR (+ 21% tax for Dutch entities) for the three days of the actual conference program, July 2-4, 2024, with full access to all talks and presentations, including coffee breaks, lunches, and the banquet on July 4th.

There are different tiers of sponsorship for MARSS 2024, as highlighted in the table below. A single, exclusive Platinum Sponsorship opportunity will be offered by the conference, while three other Gold Sponsorships will be available. There will also be several available spots for Silver and Bronze Sponsorships.

The deadline for booking a booth space for on-site exhibition is **May 31, 2024**. Please do not hesitate to contact info@marss-conference.org, if further information is required.

Best regards,

Massimo Mastrangeli & Pierre Lambert, MARSS 2024 General Chairs
