## On-site Exhibition Sponsorship

The 9th International Conference on Manipulation, Automation and Robotics at Small Scales (MARSS 2026) is held from July 27 to July 31, 2026, in Zhejiang University, in Hangzhou, China: <https://marss-conference.org>. This annual conference is managed by a high-level Steering Committee and technically supported by IEEE-RAS and IEEE-NTC. MARSS is the flagship forum for cross-disciplinary R&D communities to discuss current activities in all areas related to manipulation and automation (including measurement and characterization) at micro- & nanoscales, and in all kinds of small-scale robots and their applications. The Organization Committee of MARSS 2026 expects round 300 participants.

You are kindly invited to join the on-site exhibition to showcase your products and services, combining company promotion and sponsorship opportunity. MARSS 2026 will offer each participating company a booth space with tables and poster boards, at a cost starting from RMB 15,000 (USD 2,250) for the three days of the actual conference program, July 28-30, 2026, with full access to all talks and presentations, including coffee breaks, lunches, and the banquet on July 30<sup>th</sup>.

There are different tiers of sponsorship for MARSS 2026, as highlighted in the table below. A single, exclusive Platinum Sponsorship opportunity will be offered by the conference. There will also be several available spots for Gold, Silver and Bronze Sponsorships. The payment can be made in RMB or in USD, whatever is more convenient.

**The deadline** for booking a booth space for on-site exhibition is **June 30, 2026**. Please do not hesitate to contact [info@marss-conference.org](mailto:info@marss-conference.org), if further information is required.

Best regards,

Wang Huiquan & Jin Zhonghe, MARSS 2026 General Chairs
